## HOBIE GP

### A successful Hobie GP at TCC

Visitors and locals enjoyed a great Hobie GP which was well organised and well run. The slight negative of the water quality was more than compensated for by good wind!!!

## RESULTS

### August and September 2017 Regatta Results

The August regatta was run in a nice, but slightly switchy, breeze. Septembers regatta was exciting with 10 to 12 knots and some heavy gusts. The full race results are available on the TCC sailors Facebook page and the TCC website.
